

YOUR
HEALTH
IS OUR

Priority

Clear, portable, protective acrylic shield (sneeze guard) designed for desktop use. Perfect for classrooms, computer labs, libraries, or anywhere a physical barrier is required. Physical barriers are recommended by the CDC, OSHA, and WHO for reducing droplet transmission and exposure when social distancing is difficult.

PLEXISAFE

DESKTOP SHIELD

PlexiSafe Shield is a product line of J&H Equipment (www.jhequipment.com). J&H Equipment has been supplying quality industrial products to customers all over the world from Alpharetta, Georgia since 1975. We were approached by several parties who asked if we could use our manufacturing expertise to develop quality, cost effective shields for their school, office, and county court house. We were happy to apply our engineering and manufacturing resources to help fight the COVID-19 virus. Please let us know how our engineers can customize our products to meet your needs.
